

Monday, 9 September 2019
12:30 – 14:00 CEST – Symposium

Paving the Way to Better Outcomes in *EGFR*-Mutant NSCLC: Time to Take a Step Further?

Room: Hall 6, Barcelona (2005)

Chair

Lecia V. Sequist, MD, MPH
Associate Professor of Medicine
Harvard Medical School
Mary B. Saltonstall Endowed Chair in Oncology
Massachusetts General Hospital
Boston, Massachusetts, USA

Faculty

David Planchard, MD, PhD
Head of Thoracic Cancer Group
Gustave Roussy
Villejuif, France

James Chih-Hsin Yang, MD, PhD
Professor & Director
Graduate Institute of Oncology
National Taiwan University
Director
Department of Oncology
National Taiwan University Hospital
Taipei, Taiwan

Agenda

- 12:30** ○ **Welcome and Introduction**
Lecia V. Sequist, MD, MPH
- 12:35** ○ **Measuring Success of *EGFR*-Targeted Therapies:
What's the End Goal?**
David Planchard, MD, PhD
- 12:55** ○ **Case Discussion: What Does Improved Survival
Mean for Patients?**
Lecia V. Sequist, MD, MPH, & Panel
- 13:10** ○ **Sequencing Therapies in *EGFR*-mutant NSCLC:
Does Order Matter?**
James Chih-Hsin Yang, MD, PhD
- 13:30** ○ **Case Discussion: Strategies for Improving
Long-Term Outcomes**
Lecia V. Sequist, MD, MPH, & Panel
- 13:45** ○ **Q&A and Conclusions**
Lecia V. Sequist, MD, MPH, & Panel

An application has been made to the UEMS EACCME® for CME accreditation of this event.

This program was approved by the IASLC 2019 World Conference on Lung Cancer Program Committee as an independent activity held in conjunction with the IASLC 2019 World Conference on Lung Cancer. This program is not sponsored or endorsed by IASLC and is not part of the official IASLC accredited program.

Symposium on the occasion of the IASLC 2019 World Conference on Lung Cancer.

This activity is supported by an unrestricted educational grant from AstraZeneca.

This independent medical education activity is organised by PeerVoice. PeerVoice activities are designed to fill the unmet needs of the medical community by reporting information pertaining to clinically relevant advances and developments in the science and practice of medicine. The preparation of PeerVoice activities is supported by written agreements that clearly stipulate and enforce the editorial independence of PeerVoice and the faculty presenters.
